

Summer Ceramics

Ceramics is a wonderful, fun activity that can be enjoyed by people of all ages. If you are between the ages of 6 and 105, we certainly have the class for you. Exeter Parks and Recreation will be offering a summer class "Let's Paint Pets - those we have or those we would like to have", taught by Barbara Young. New to ceramics? We will also be offering a Let's Try Ceramics class where participants will learn the different techniques of ceramics such as under glazing, glazing, and dry brushing.
